Sub: Invitation to visit USA.

Dear Aunty,

I would like to invite you to the United States of America to stay with us for Four months; it would be very nice to have with us. During the course of your stay we would visit various places in the USA such as Sea World, Austin, New York, Niagara Falls, Disney Land and Florida.

During your stay in United States, I will bear all your responsibilities, but not limited to financial responsibilities, return air ticket fare to travel from India to USA and back, travel expenses within the USA, medical insurance, housing and food. You will be stay with me at my apartment located above mentioned address.

During your stay here, you will also get an opportunity to see and experience the western culture, meet different kind of people and different variety of food, you will enjoy the nice weather and nice city I live in.

We would have a nice time together after a long time. So, please begin planning for the trip. I am eagerly waiting for you to visit us

Yours Lovingly,

Ulaganathan Ramakrishnan
